Section 101.6.1 Adopted Appendices

Insert new section 101.6.1 as follows:

101.6.1 Adopted Appendices. The provisions contained within Appendices A, B and C are hereby specifically adopted.

Section 102.4.3 Adopted Codes

Insert new section 102.4.3 as follows:

102.4.3 Adopted Codes. Where this code refers to other codes not adopted by this jurisdiction, the applicable code adopted by the jurisdiction shall govern.

Section Chapter 1, Part 2, Sections 103-117

Delete the Administrative portions of Chapter 1

Delete Part 2 Administration and Enforcement (sections 103 through 117) in its entirety.

Section 202 GENERAL DEFINITIONS

Insert a new definition as follows:

BABY CHANGING TABLE. A table or other device that is safe and sanitary for changing the diaper of a child age 3 or under.

Section 301.6 Baby Changing Tables

Insert new section 301.6 as follows:

301.6 Baby Changing Tables. Wherever a new restroom is constructed for use by the public a baby changing table shall be installed. The baby changing table shall be located in a common area or within restrooms and shall comply with 2009 ICC A117.1. The baby changing table must be *approved* for use by the *code official* and installed in accordance with the requirements of the *International Building Code*. A baby changing table must be available to both sexes.

Exception: A facility that has been issued a permit or license which restricts the admission of children on the basis of age shall be exempt from this requirement.
