Who Are You

Project Address

Applicant Info

Work Type & Details

Review & Pay

TELL US WHO YOU ARE

Please select the category that best describes your relationship to the project

Building Contractor

Select Contractor to apply for a permit if you are licensed under the provisions of NRS 624.283

Residential Owner Builder

Select Residential Owner-Builder to apply for a permit if you are the owner of the residential property and will act as your own contractor

3. Fill in the **address of the project**. Please pay close attention to how you are directed to enter the address (the **number** and the **street name** are entered in different cells and you can not include the suffix).
4. Click verify address to confirm you are in our jurisdiction. If your project address is in the City of Las Vegas jurisdiction, the system will find the address and then click select and continue.
5. Enter email, phone number, and click next.
6. Accept the terms.
7. Select the type of permit you are applying for and please note that if your scope of work is not on the list, then you need to apply with plans on our Citizen Portal/Dashboard.
8. At the bottom left select review and pay.
9. Pay for your permit and print a copy for your records.
10. For a list of permits available without plans, please go here:

<https://www.lasvegasnevada.gov/Business/Permits-Licenses/Online-Permits-List>

If you have need assistance, please call our main number at 702-229-6251. If you need to set up a pin for inspections, please email buildinginfo@lasvegasnevada.gov

Utilize the following web addresses for additional assistance:
