

**CLV - SPECIAL INSPECTIONS (ATTACH TO HARD CARD)**www.LasVegasNevada.gov/BuildingPermits

Phone: (702) 229-6251

Project Planning # _____ Application/Permit # _____

Some items in the Quality Assurance inspection scope of work outlined in the online system are to be inspected by the City of Las Vegas' inspectors. Please call the Inspection Dispatch Office at (702) 229-6914 between 7am-3pm to schedule these inspections. A 160-inspection hold will be in place until the City of Las Vegas has completed the 155 inspection and/or 160 inspections. Once these inspections have passed, the City of Las Vegas Area Dispatch Staff will remove the Inspection Hold.

THERE ARE TWO TYPES OF INSPECTION:

- A CLV Special Inspection is a **#155 CLV Special Inspection** and a charge of \$368.00 per hour with two hours minimum.
- A post-installed anchors inspection (**X1**) is scheduled as a **#160 Express Inspection** and a charge of \$186.00 per hour with one-hour minimum.

To aid the Contractor, the inspection items are summarized below, with the corresponding inspection type number.

PLEASE REFER TO THESE NUMBERS WHEN CALLING FOR SPECIAL INSPECTIONS.

CLV Inspection ITEM NO (to be filled out by Structural Plans Examiner)	INSPECTION TYPE - CODES
	155
<u>POST INSTALLED ANCHORS</u> - expansion anchors and/or concrete screws and/or epoxy anchors) in hardened concrete per the Evaluation Report (I.C.C. and/or I.A.P.M.O. and/or City of Los Angeles and manufacturer's specifications (X1) (EXPRESS)	160
