

Industry Advisory from the Building & Safety Department
Electronic Notification of Inspection Holdovers
August 3, 2015

Effective September 1, 2015, we will be able to notify customers daily about inspection holdovers via email.

If your jobsite superintendent or anyone working with inspections would like to be notified about inspection holdovers on your project, please contact our office or fill out the bottom of this notice with your permit number, the name of the person to be contacted and the person's email address.

Emails will be sent out mid-afternoon every day to notify those customers whose inspections will be held over to the next morning. Holdover inspections will continue to receive priority by receiving inspections the next morning.

The hours of operation at the DSC are Monday-Thursday from 7:00 am – 5:00pm.

.....
**Please note that all the information requested below is required for email notification. All relevant permit numbers must be listed for the notice to work.*

Permit(s) # _____
