

*Industry Advisory from the
Building & Safety Department*
A New City Website is Launching!

The City of Las Vegas has launched a new website today! The new website will look like this:

The short links to check on projects, schedule inspections, pay fees, etc. will still work so please be sure to save them as your favorites on your browser (IT recommends using Chrome as the browser):

- To check for permits on an address or parcel and to see the status of plan reviews and inspections, go to LasVegasNevada.Gov/CheckStatus
- To apply for a permit, go to LasVegasNevada.Gov/ApplyForPermit
- To schedule an inspection, go to LasVegasNevada.Gov/ScheduleInspection
- To pay for plan review or permit fees, go to LasVegasNevada.Gov/PayPermit
- To submit a records request, go to LasVegasNevada.Gov/RecordsRequest
- To create a Quality Assurance Agency Agreement (special inspection), go to LasVegasNevada.gov/QAA
- To schedule an appointment with a Building Technician for plan submittals: LasVegasNevada.gov/techappointments

If you have any problems with the new website, please contact us on our main number of (702) 229-6251.
