

*Industry Advisory from the
Building & Safety Department*
Video Inspection Program

The City of Las Vegas Department of Building & Safety has implemented a video inspection program to be able to provide as many inspections as we can during the COVID19 situation. The purpose of the City of Las Vegas Video Inspection Program is to provide an alternative for eligible inspections, including limited re-inspections.

Below are the permit types eligible for video inspections.

Building Water & Sewer repairs/replacement (per 100 lf)
Construction Trailer
Excavation only (residential pools)
Gas line repair or tag
HVAC Exact change out or repair
Low Voltage outlets
Minor electrical (5 devices or less)
Miscellaneous Plumbing Repair
Miscellaneous Repair/Exterior upgrades (stucco, windows,etc)
Re-roof (same for same-2 layers only)
Water heater or Water Softener (same for same)
Water Piping Replacement

Once your inspection is scheduled, you will see an option to schedule an appointment on the confirmation page. Only those permit types listed are eligible for video inspections.

If you have any questions or concerns, please feel free to contact us at (702) 229-2002 or email me at mcunningham@lasvegasnevada.gov.

Sincerely,

A handwritten signature in blue ink that reads "Michael Cunningham".

Michael Cunningham, P.E.
Deputy Building and Safety Director
City of Las Vegas
Building and Safety Department
