

Inspection Scheduling at the

Beginning this Monday, June 12th, 2017, you will see some changes to the **City of Las Vegas** Web site where you will **schedule, cancel and reschedule inspections**. We worked hard to make it easy for you to do business on this site. Here is a short tutorial. You may want to acquaint yourself with the new features before it is time to use them to do business. You can perform all of these activities on a computer or a mobile device!

To schedule an inspection, go to LasVegasNevada.Gov/ScheduleInspection which takes you directly to the scheduling site or go through our home page at www.lasvegasnevada.gov:

Inspection Scheduling at the

Please note that part of the changes implemented is a new naming convention for our permits. We will now have **prefixes** for all our applications and permits and the prefix needs to be used as part of the number. Please see below the “new” prefixes for permits:

<u>Permit Types</u>	<u>Prefix</u>	<u>Examples</u>
Commercial	C	C17-12345
Residential	R	R17-12345
Fire	F	F17-12345
Tract	P	P17-12345
Civil/Utility	L	L17-12345
Agreements	A	A17-12345

The permits prior to **June 12, 2017** that were migrated into the new system will not have the current year as a part of the prefix. These migrated permits will appear as follows:

<u>Permit Types</u>	<u>Prefix</u>	<u>Examples</u>
Commercial	C	C-12345
Residential	R	R-12345
