

Notice to the Public

March 1-5, 2021

Week of EduCode Classes

Our Permit Technicians, Plans Examiners, Support Staff and Inspectors will be attending EduCode during the week of March 1-5, 2021

EduCode familiarizes staff with current and pending codes from the current code books.

The Building Department will be open for business during the seminar however, staffing levels will be at a reduced number for Technicians, Plans Examiners, Inspectors and Office Staff. Please keep this in mind when visiting the department.

****Limited Services as follows:**

- Limited Express Inspections (Same Day will be conducted on an emergency basis only)
- Regular inspections may be delayed or may have a "Holdover" for the next business day
- No Express Plan Review
- Limited OTC reviews

Thank you for your patience and understanding.
