

# POOL, SPA, AND/OR WATER FEATURE APPLICATION

[www.LasVegasNevada.gov/BuildingPermits](http://www.LasVegasNevada.gov/BuildingPermits)

Phone: (702) 229-6251

### Requirements for Electronic Submittals:

- Create a login and submit your plans online at [www.LasVegasNevada.gov/Dashboard](http://www.LasVegasNevada.gov/Dashboard)
- All plans must be stamped and signed by the contractor or designer. Electronic signatures and scanned PDF plans are acceptable from contractors. These applications are still required for the electronic submittal.
- Once approved, the system will send an email with the approved plans that must be printed for the jobsite. The permit must also be printed for the jobsite from [www.LasVegasNevada.gov/CheckStatus](http://www.LasVegasNevada.gov/CheckStatus)

Residential Projects- Submit the following:

- This completed application.
- Structural plans and calculations uploaded to the structural plan and structural calculation buckets respectively.
- A complete stamped and signed design package consisting of plot plan, plumbing, and electrical as one pdf, uploaded to the electrical plan bucket.
  - Swimming Pool Checklist, [click here](#), should be used to ensure plans are complete
  - Electrical Load Calculations can be completed using the following worksheet, [click here](#).

Commercial Projects – Submit the following.

- This completed application.
- Structural plans and calculations uploaded to the structural plan and structural calculation buckets respectively.
- A complete stamped and signed design package consisting of site plan, plumbing, and electrical as one pdf, uploaded to the electrical plan bucket. Please note a permit for a commercial pool will not be issued until SNHD has first reviewed and approved the design.
