REVISION APPLICATION

www.LasVegasNevada.gov/BuildingPermits

Phone: (702) 229-6251

NOTE: THIS APPLICATION IS FOR PLAN REVIEWS PERFORMED ON AN HOURLY BASIS ONLY. IF YOU ARE ADDING ADDITIONAL SCOPE OF WORK TO AN EXISTING PERMIT OR TO AN EXISTING BUILDING, A NEW PERMIT APPLICATION IS REQUIRED.

Required Components of a Revision Submittal:

- Provide a completed application with the current permit number the revision is modifying.
- Provide a narrative explaining each change by sheet and shall indicate what revision number the package is referencing.
- Provide only the sheets from every discipline of the drawing package that are impacted by the revision. All changes from previous approved plans shall be clouded and the revision number (delta symbol) shall be provided in direct proximity to the plan modification. All previously, approved revisions do not need to be clouded but the delta assigned to that change needs to remain next to the previously approved change on any new revision submittals. Clouds and Deltas can be submitted in color except **Red**.
- Verify all sheets are sealed by the appropriate design professional.
- A fee of \$176.00 for Commercial projects and Residential projects shall be paid at the time of submittal. Any additional fees such as additional plan check fees will be paid at revision issuance.
