(B) Certain licenses issued pursuant to this Chapter in previous years were subject to the payment of an origination charge, which had the effect of creating market value in those licenses. The requirement for new licensees to pay an origination charge has been repealed, which affects the value of those existing licenses and affects the licensees themselves in relation to future license holders. To compensate existing licensees who paid such an origination charge beginning in 2014 or thereafter, in an amount of at least five thousand dollars, their future semi-annual license fees are subject to adjustment in accordance with the following formula:

(1) For 2022, 20% of the amount calculated pursuant to Subsection (A) for a license whose origination charge was paid within one year prior to April 1, 2022, with the percentage owed increasing to 30%, 40%, 50%, 60%, 70%, 80% and 90% respectively for each of the succeeding years 2023 through 2029;

(2) For 2022, 30% of the amount calculated pursuant to Subsection (A) for a license whose origination charge was paid within two years prior to April 1, 2022, with the percentage owed increasing to 40%, 50%, 60%, 70%, 80% and 90% for each of the succeeding years 2023 through 2028;

1 (3) For 2022, 40% of the amount calculated pursuant to Subsection (A) for a  
2 license whose origination charge was paid within three years prior to April 1, 2022, with the percentage owed  
3 increasing to 50%, 60%, 70%, 80% and 90% for each of the succeeding years 2023 through 2027;

4 (4) For 2022, 50% of the amount calculated pursuant to Subsection (A) for a  
5 license whose origination charge was paid within four years prior to April 1, 2022, with the percentage owed  
6 increasing to 60%, 70%, 80% and 90% for each of the succeeding years 2023 through 2026;

7 (5) For 2022, 60% of the amount calculated pursuant to Subsection (A) for a

9 increasing to 70%, 80% and 90% for each of the succeeding years 2023 through 2025;

10 (6) For 2022, 70% of the amount calculated pursuant to Subsection (A) for a  
11 license whose origination charge was paid within six years prior to April 1, 2022, with the percentage owed  
12 increasing to 80% and 90% for each of the succeeding years 2023 through 2024;

13 (7) For 2022, 80% of the amount calculated pursuant to Subsection (A) for a  
14 license whose origination charge was paid within seven years prior to April 1, 2022, with the percentage  
15 owed increasing to 90% for 2023; and

16 (8) For 2022, 90% of the amount calculated pursuant to Subsection (A) for a  
17 license whose origination charge was paid within eight years prior to April 1, 2022.

18 (C) At the expiration of the period of reduction of a licensee's semi-annual license fees  
19 pursuant to the formulas in Subsection (B), the amount of the licensee's semi-annual license fees owed shall  
20 revert back to 100% of the amount calculated pursuant to Subsection (A). In no event shall the total of the  
21 reductions in the amounts owed pursuant to this Section for a particular licensee ever exceed an amount that  
22 is \$5,000.00 less than the amount of the origination charge actually paid by that licensee. When the amount  
23 of the reductions in the semi-annual license fees owed by a licensee reaches an amount that is \$5,000.00 less  
24 than the amount of the origination charge actually paid by that licensee, further reductions in the amount of  
25 semi-annual licensee fee owed pursuant to Subsection (A) shall cease and the licensee shall thereafter owe  
26 and pay the full amount of the semi-annual license fee calculated pursuant to Subsection (A).

1 (D) There shall be no license-fee reduction pursuant to this Section for any license that

23 of a use. [Any licensee who desires permanently to discontinue the alcoholic beverage operations of a  
24 business and to sell its license may notify the Department of its desire to sell such license, and the Department  
25 shall maintain a list of such licenses and make it available to any person who is interested in obtaining a  
26 license. Any such licensee who desires to have the Department include the licensee on a list of non-

1 operational licenses that are available for sale may request the Department to do so in exchange for the  
2 payment of an annual fee of one hundred dollars. The Department is under no obligation to include the listing  
3 of a license for longer than three years, or to include or retain on the list any license that has been listed as an  
4 asset in bankruptcy proceedings.]

6 requirements of this Title for the original issuance of the license being sold, assigned or transferred as well  
7 as all amendments thereafter to this Title pertaining to alcoholic beverage licenses.] Licenses issued under  
8 this Chapter, whether temporary or permanent, are not subject to sale or transfer.

9 [(C) Reinstatement of an alcoholic beverage license that has been sold, assigned or  
10 transferred after a discontinued use for longer than six months pursuant to Subsection (A), above, shall be  
11 charged a reinstatement fee of ten percent of the origination fee as provided for such license pursuant to  
12 LVMC 6.50.380.]

25                   SECTION 80: For purposes of Section 2.100(3) of the City Charter, Sections 19.09.050,  
26 19.10.020, 19.10.120, 19.12.010, 19.12.070 and 19.18.020 are deemed to be subchapters rather than sections.

1           SECTION 81: The Department of Planning is authorized and directed to incorporate into  
2 the Unified Development Code the amendments set forth in Sections 60 to 79, inclusive, of this Ordinance.

3           SECTION 82: (A) This Ordinance repeals a number of business license categories and  
4 land uses with the expectation that over time, and except as otherwise specified:

5                   (1) There will be a transition by which existing business licenses and land use  
6 approvals will continue to be recognized.

7                   (2) In connection with that transition, those business licenses will be gradually  
8 converted or replaced over time with new licenses or replacement licenses, or in connection with expirations  
9 and renewals.

10                  (3) In connection with that transition, existing land use entitlements and  
11 approvals under the names of particular land use terminology or classifications that are being repealed will  
12 generally continue to be recognized as if the land use terminology or classifications previously existing  
13 continued in existence as to those entitlements and approvals. However, the Department of Planning is  
14 authorized to transition towards relabeling land use categories for existing uses with replacement or  
15 equivalent categories as deemed necessary or appropriate. In addition, the Director of Planning may  
16 determine in particular cases that existing uses whose classification has been deleted are to be subject to  
17 nonconforming use provisions of Title 19.

18           (B) The Department of Planning, through its business licensing and land use functions,  
19 is authorized and directed to do the following in implementing this Ordinance in a manner consistent with its  
20 intent:

21                   (1) Keep such records and make such determinations as are necessary and  
22 appropriate for implementation in a manner that recognizes existing license and land use rights.

23                   (2) Continue to recognize rights and obligations—relative to license and land  
24 use categories that are repealed by this Ordinance—for the periods necessary to implement the transition  
25 from previous to present categories.

26                   (3) Apply to new or replacement licenses or land use categories appropriate

1 conditions or endorsements that are designed to continue authorization of existing rights and privileges.

2 (4) Apply by custom or analogy any principles or practices that, by reason of  
3 the adoption of this Ordinance and the replacement of categories, may not strictly apply under this Ordinance  
4 or other provisions of the Las Vegas Municipal Code.

5 (C) Regarding the transition period as it relates to land use administration, it is noted  
6 that the City Council over time has adopted a number of area-specific planning and regulatory documents  
7 that apply to specifically-identified developments or areas within the City. For purposes of this Section, such  
8 areas are referred to as “special plan areas” and the related documents as “special area plans.” Many of those  
9 documents include references to land use types or categories that are being deleted by this Ordinance, with  
10 the intent to have those types or categories covered by new or existing land use types or categories. For the  
11 purposes of interpreting special area plan documents and their application during a transitional period before  
12 those documents might be updated, a document has been prepared to assist the City and others in determining  
13 which new or existing uses and corresponding rules and requirements should apply to uses whose labels have  
14 been deleted by this Ordinance. That document is attached to and adopted as part of this Ordinance as Exhibit  
15 D. The Director of Planning is authorized to apply and interpret the provisions of Exhibit D as deemed  
16 necessary or appropriate. That authority includes authority and discretion to determine equivalent use  
17 categories, standards and procedures regarding locations within any special plan area whose special area plan  
18 is not listed in Exhibit D.

19 (D) Notwithstanding the provisions of this Section, operational requirements or  
20 prohibitions under LVMC Title 6 that are made applicable by the provisions of this Ordinance to new or  
21 replacement license categories shall be deemed to apply to licenses under the new or replacement categories  
22 unless waived by the Director.

23 SECTION 83: If any section, subsection, subdivision, paragraph, sentence, clause or phrase  
24 in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by  
25 any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the  
26 remaining portions of this ordinance or any part thereof. The City Council of the City of Las Vegas hereby

1 declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase  
2 thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs,  
3 sentences, clauses or phrases be declared unconstitutional, invalid or ineffective.

4 SECTION 84: Whenever in this ordinance any act is prohibited or is made or declared to  
5 be unlawful or an offense or a misdemeanor, or whenever in this ordinance the doing of any act is required  
6 or the failure to do any act is made or declared to be unlawful or an offense or a misdemeanor, the doing of  
7 such prohibited act or the failure to do any such required act shall constitute a misdemeanor and upon  
8 conviction thereof, shall be punished by a fine of not more than \$1,000.00 or by imprisonment for a term of  
9 not more than six months, or by any combination of such fine and imprisonment. Any day of any violation  
10 of this ordinance shall constitute a separate offense.

11 SECTION 85: All ordinances or parts of ordinances or sections, subsections, phrases,  
12 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada, 1983  
13 Edition, in conflict herewith are hereby repealed.
