ENTERTAINMENT

GENERAL ENTERTAINMENT ESTABLISHMENT means an establishment that is generally open to the public, or a segment of the public, as a place to view live or other entertainment performances in an amphitheater, auditorium, ballroom, concert hall, theatre or showroom setting; for hosting or accommodating a concert, convention, competition, sporting event or trade show; or any combination thereof. The term applies whether or not events or activities hosted or accommodated by the facility generally, or in particular cases, are open or closed to the general public and whether or not reservations or ticket sales are available in advance. This term does not include an Erotic Dance Establishment, Teenage Nightclub or Nightclub.

- **Alcohol and Security Plan Required**

NIGHTCLUB means an indoor or outdoor entertainment establishment with an occupancy load of 100 or more persons that:

1. Provides any combination of live music, recorded music, or other entertainment for the primary purpose of encouraging social interaction amongst the patrons of the establishment;
2. Contains one or more delineated dance floor areas; and

The term is also deemed to include a “day club,” which possesses the same characteristics as a nightclub, but operates primarily during the daytime hours. The term does not include an Erotic Dance Establishment, Teenage Nightclub Club or General Entertainment Establishment.

- **Alcohol and Security Plan Required**

ANCILLARY (LIMITED) ENTERTAINMENT CONDITIONAL APPROVAL may be considered by Director or Designee for entertainment that meets the minimum following conditional criteria to be considered:

- Entertainment provided no later than 11:00pm
- Limited to one or two days a week
- Primary business must remain operational during the time of the ancillary entertainment and no cover charge or admission fee may be imposed

- **Alcohol and Security Plan Required**

SECURITY AND ALCOHOL CONTROL PLANS

ALCOHOL CONTROL PLAN shall include at minimum the following details:

- The type of venue, is the venue 21 and over only or is it an all age venue.
- The days and hours of operation of the primary business as well as the limited entertainment, if approved
- The occupancy limit of the establishment
- The method by which the establishment will prevent minors (anyone under 21 years of age) from bringing in or gaining access to alcoholic beverages
- Identify the procedure for checking ID's, as well as the staff that will be responsible for checking ID's
- The number of security officers that are/will be present and where the security officers will be stationed, if applicable

SECURITY PLAN STANDARDS AND "BEST PRACTICES" In addition to alcohol control requirements, the following are some of the minimum security requirements for nightclubs, general entertainment establishments, special events and other establishments are required by the Director:

- Perform security-related searches, including searches using metal detectors or wandings and searches based on the results of those devices, and limit the types of items that can be brought into the establishment, including without limitation weapons, backpacks, bags and other carrying devices.
- Provide adequate security to manage lines of patrons seeking entry.
- Provide minimum levels of security both inside and outside the establishment, at a ratio of security to attendees that is commensurate with the size and operation of the establishment.
- Ensure that security officers are trained in areas such as use of force, counter-terrorism and de-escalation.
- Engage special events officers of Metro for occasions and events where such a presence is deemed important by the Director.
- Provide fully operational and adequate video surveillance for the venue especially for restroom entries, ingress/egress areas, and the front of the establishment.
- Provide for the presence of medical personnel for events with over one thousand patrons.
- Provide for the vetting of independent hosts, special guest DJ's, live acts, etc. through open sources.
- Establish, maintain in place, and implement written policies and procedures that seek to foster the public health, safety, morals, good order, and general welfare of the patrons.
- Implement a program by which employees and others retained by the establishment have received copies of, and training, regarding the written policies and procedures referred to above.
- Provide details associated to the mitigation of noise where it can't be heard beyond fifty (50) feet of the source.
- Unless otherwise permitted by land use entitlement approved for such establishment, any and all activities associated with a licensed establishment shall be conducted entirely within the interior of such establishment, except for the following:
 - The checking of patrons' identification;
 - Valet parking activities;
 - The sale of admission tickets for current or future events;
 - Each outdoor patron line must be on private property or on a public sidewalk. If on a public sidewalk, an outdoor patron line shall:
 - Be parallel to and against the structure of the licensed establishment;
 - Be maintained so that not more than two persons are abreast (next to one another);
 - Not restrict reasonable pedestrian movement on the sidewalk; and
 - Not obstruct the entrance to any other establishment that is open for business.
