

PROPER DISPOSAL OF UNUSABLE CANNABIS WITHIN THE CITY OF LAS VEGAS

1. Complete a Republic Services Special Waste Profile form. The form is writeable pdf and can be found on the City of Las Vegas Cannabis Licensing Information webpage. Print and sign when completed and emailed to RTidwell@republicservices.com
2. In addition, please also provide the following information within the email for the submission of the completed and signed profile form:
 - a. On-site facility contact information for disposal coordination—name, telephone number, email address
 - b. One copy of the Establishment Security Plan which includes disposal container security
 - c. One copy of the Facility Disposal Plan including a detailed description on how Republic Services would access the disposal containers onsite.
 - d. A detailed description on proposed methodology for rendering the cannabis unusable.
3. Please refer any specific questions to Republic Services:
