Victim Impact Statement

Pursuant to NRS 176.015 and Marsy's law, before imposing sentence, the court shall, upon request, afford the victim an opportunity to reasonably express any views concerning the crime, the impact of the crime on the victim, the need for full and timely restitution and the sentencing of the person responsible.

City of Las Vegas v. Defendant: _____
Case No. _____

[Please print or type the following statement]

I, _____, would like to express any views concerning the crime, the person responsible, the impact of the crime and the need for restitution and what sentence I would like to see imposed.

- I have attached certified copies of medical records and/or other pertinent documents relating to my injuries/damages
- I would like to be present at Sentencing and will attempt to keep in contact with the Office of the City Attorney to confirm the correct date and time after the arraignment date as noted above.
- I have no additional statement and/or information regarding this matter.
