Zoom Grant Application Instructions

Building Community to Make Life Better
CITY OF LAS VEGAS’ HOME/LIHTF FUNDS PLANNING PROCESS

The City of Las Vegas (City or CLV) Office of Community Services utilizes a Request For Applications (RFA) process to aid in building communities by providing decent housing and a suitable living environment, principally for persons of low and very-low income. Funding will be provided through the Housing and Urban Development Department HOME Investment Partnerships program (HOME) and the Nevada State Account for Affordable Housing Trust Funds (AAHTF). The City utilizes non-profit and for-profit partners to assist in providing housing and supportive services programs.

Planning activities will follow the same steps each year although the timing may vary somewhat. These steps are: (Dates may change)

Step 1 - Dissemination Funds available information (December):
Step 2 - Submission of project applications (On an Ongoing Basis)
Step 3 - Project selection:
   a. Review of project applications by Review Committee and staff,
   b. Project recommendations of Review Committee to the Las Vegas City Council,
   c. Public hearing before the Las Vegas City Council and final selection of projects for application submission to HUD. (May)

HOME/AAHTF OBJECTIVES AND ELIGIBLE ACTIVITIES

The National Affordable Housing Act of 1990 created the HOME Investments Partnership (HOME) Program (24 CFR Part 92). This federal program is designed to strengthen public-private partnerships and to expand the supply of decent, safe, sanitary, and affordable housing. The City of Las Vegas (City) receives an annual allocation of Federal and State HOME funds. HOME funds have a 20 year affordability/compliance period.

The Account for Affordable Housing Trust Funds (AAHTF) was created by the Nevada State Legislature (NRS 319.510). AAHFT monies are generated by a real estate transfer tax, and are to be used for affordable housing purposes. All AAHTF funds have a 20 year affordability/compliance period. AAHTF funds are disbursed by the State of Nevada directly to the City on an annual basis. As AAHTF funds are used as HOME match funds, all applicants are required to adhere to HOME program regulations.

HOME/AAHTF funds are used to achieve the following objectives:

1. To provide decent affordable housing for low and very low income households;
2. To strengthen the ability of state and local governments to provide housing;
3. To leverage private sector participation.
4. To increase, improve, and preserve affordable housing.
Eligible Projects for the Application

Eligible activities for this funding application are as follows:
Multi-Family (5+ units under common ownership and financing) projects only

- Acquisition and Rehabilitation
- Land Acquisition for Affordable Housing
- New Construction – Multi-Family
- Rehabilitation – Multi-Family

(Construction must begin within one year of Council Approval or funds may be rescinded.)

*No project which results in permanent tenant relocation will be considered for funding.*

*No Single-Family projects will be funded.*

HOME/AAHTF PROGRAM OVERVIEW

Every HOME/AAHTF funded project must serve persons of low and very low income. Low-income is defined as a household income that does not exceed 80% of Area Median Income (AMI) as published by HUD. Very low-income is defined as a household income that does not exceed 50% of Area Median Income. Rental units must be rented to tenants whose income does not exceed 60% AMI. In projects of 5 or more HOME rental units, 20% of the HOME funded units must be rented to tenants whose income is at or below 50% AMI. The current income limits are EXHIBIT “1” to the Application.

ENVIRONMENTAL REVIEW REQUIREMENTS

Per HUD Notice CPD 01-11, once an application is submitted indicating intent to the City for HOME/LIHTF funding, the applicant CANNOT take any actions regarding the property regardless of funding source. Completion of the HUD Environmental Review process is mandatory before taking a physical action on a site or making a commitment or expenditure of HUD or non-HUD funds for property acquisition, rehabilitation, conversion, lease, and repair or construction activities. The City is responsible for completing the Environmental Review (ER) process. The ER must examine existing conditions of the site and surrounding area; identify, analyze and evaluate all impacts; recommend feasible ways to mitigate or eliminate adverse environmental impacts; examine alternatives to the project and complete a compliance determination. The scope of the ER process must include both the HOME funded and non-Federally funded portions of the project. This ER does not take the place of the required Phase I Assessment required for construction and rehabilitation projects. The City is responsible to ensure its third party partners do not take any actions which will have an adverse environmental impact or limit the choice of reasonable alternatives until HUD has issued an approval to spend funds.

Please consult with an Office of Community Services HOME Program representative for clarification, prior to any activity (including starting the construction bidding process) you wish to undertake for the proposed project. Failure to do so may be grounds for denial or rescission of HOME funds.

DUNS and SAM Requirements

Agencies awarded $25,000 or more in funds must register with the federal System for Award Management (SAM), formerly the federal Central Contractor Registration (CCR), before funds can be committed. Agencies previously registered in CCR will have to re-register on SAM. First time registrant in SAM will require a DUNS number, which refers to the Data Universal Numbering System, a 9-digit number established and assigned by Dun and Bradstreet, Inc. (D&B) to uniquely identify business entities. A DUNS number may be obtained from D&B by telephone or Internet (currently at http://www.dunandbradstreet.com).
Registration with SAM must be maintained and kept current at all times when the agency has an active federal award – including federal funds such as the HOME Program. The purpose of SAM registration requirement is to fully implement the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282, hereafter referred to as “the Transparency Act”). That Act requires that a Web site be maintained where the public may access and search data on federal financial assistance awards. More information about this requirement is available in the June 6, 2008 Federal Register, pages 32417 – 32421 (the proposed guidance can be downloaded from http://edocket.access.gpo.gov/2008/pdf/E8-12558.pdf).

No entity may receive funds in the amount of $25,000 or more unless the entity is registered in SAM, which also requires that the subrecipient agency have a Data Universal Number System (DUNS) number. Unless your agency is exempted from this requirement under 2 CFR 33.105(b)(2), your agency must maintain the currency of your information in SAM until you submit the final financial report required under this award.

PROGRAM MANUAL

The City of Las Vegas (City) has developed the HOME/AAHTF Program Manual to assist applicants and recipients of Federal funds. The Program Manual is available and provided to prospective applicants upon request. Please refer to this manual for information regarding the administration of these programs.

APPLICATIONS

Applications may only be submitted through the ZoomGrants link on the City of Las Vegas website. Application for the new fiscal year are available in the Spring of each year and remain open for a calendar year, or until all funds have been obligated (at that time the application will close). The Application and all attachments must be submitted through ZoomGrants. No hard copies will be accepted.

PRE-QUALIFICATION CRITERIA

1. Applicants must not have outstanding debt to the city of Las Vegas. If during the course of the application process it comes to the attention of City staff that the organization or its principals owe outstanding monies to the City, the applicant will be given the opportunity to remedy the situation in order for their application to move forward. Failure to remedy such indebtedness may result in application disqualification.

2. Applicant must be registered with the Nevada Secretary of State office.

3. Applicant must have site control of the project property.

4. Applicant must not have any outstanding audit issues. Failure to remedy such issues may result in application disqualification.

5. Applicant must have at least 12 months experience in an area directly related to proposed activity, or have principal staff or partner with such experience.
CITY CONDITIONS – SPECIAL CONDITIONS OF THE REQUEST FOR APPLICATIONS (RFA)

Applicants should be aware of the following special conditions and requirements of the RFA

1. The award of any agreement based on applications received in response to this RFA is contingent upon the City's receipt of HOME and AAHTF funding.

2. This RFA provides a uniform method and process for the open and competitive procurement of applications for HOME and AAHTF funding. The intent is to identify various prospective projects and obtain estimates of costs for those projects. The City is under no legal requirements to execute an agreement on the basis of any application received.

3. The City specifically reserves the right to vary the provisions set forth herein any time prior to the execution of an agreement where such variance is deemed to be in the best interest of the City and the population to be served.

4. The City reserves the right to negotiate with any qualified source, or to cancel this RFA in part or in its entirety.

5. The City reserves the right to contact any individual, agency or grantee listed in the application or others who may have experience or knowledge of the Applicant’s performance relevant to the proposed activities.

6. Applicants shall not, under penalty of law, offer or provide any gratuities, favors or anything of monetary value to any employee of the City or any member of the City Council of Las Vegas for the purpose of influencing application selection and funding.

7. The City reserves the right to conduct a review of records, systems, and procedures of any entity selected for funding. Misrepresentation of the Applicant’s ability to perform as stated in the application may result in cancellation of any contract or agreement awarded. An agreement may be withheld if issues of contract or questions of non-compliance, or questioned or disallowed costs exist, until such issues are satisfactorily resolved.

8. An agreement will be awarded to the Applicant whose proposal is the most advantageous to the City.

9. If selected for contractual negotiations, the Applicant may be required to prepare and submit additional information upon which further contract negotiations will be based. The ultimate result of reaching terms agreeable to both parties will be the execution of an agreement.

10. The City reserves the right to modify or terminate agreements awarded under this RFA based on availability of funds and based on acceptable performance as established by the City.

11. Applicants should be aware of the City of Las Vegas rules and policies contained in the HOME/AAHTF Program Manual and HOME regulations at 24 CFR 92.

ACCEPTANCE OF TERMS

By submitting an application, the applicant accepts all terms, conditions and requirements of this Application. The applicant’s proposal will become part of the grant agreement in the event the applicant is awarded funds. The applicant will be bound by what is in the proposal, unless otherwise approved in writing by the City of Las Vegas. Applicant understands and accepts that when receiving multiple funding sources, the most restrictive conditions may apply.

The applicant’s proposal and other materials submitted in response to the application process becomes the property of the City of Las Vegas and may be returned only at the City’s discretion.
Applications are public documents and may be inspected or copied by anyone after they have been reviewed and rated and approved for funding by the City Council. Financial statements included in the application may be considered public information. City will notify applicant of any request for public information.

The City takes no responsibility for content, or any incomplete submissions. All costs of responding to this Request for Applications are the responsibility of the applicant.

PROJECT APPLICATION AND SELECTION PROCESS

The Application and all attachments must be submitted through ZoomGrants. No hard copies will be accepted.

Applications must comply with the requirements of the application process. Applications that are incomplete, have inadequate responses, or have other content errors or deficiencies may not move forward to the Review Committee.

Once the City has received the applications, staff will commence review. A committee comprised of city staff members from various city departments will review the projects for viability and formulate funding recommendations to be presented to the Las Vegas City Council for their consideration and approval.

Selected projects must: start construction within one year of funding award; be completed within four years of signing agreement with the City; and fully rented up within 18 months of completion.

PROJECT EVALUATION:

The city is mandated by the Department of Housing and Urban Development (HUD) to utilize its federal funds in a timely manner. The project’s readiness to start will be a determining factor in awarding funds. Readiness will be scored based on a documented development schedule, land use entitlement, permit ready status and secured financing.

Additionally, the need/marketability of the project will be evaluated based on: (1) the vacancy rates of other affordable housing in the area; (2) whether rents for market-rate housing are higher than the rents for comparable affordable housing; (3) whether the proposed development will be in direct competition with existing affordable housing units; and (4) whether the demand and need for additional units have been documented.

All applications are evaluated on several areas and components, including but not limited to:

- Development Schedule
- Agency Fiscal Soundness
- Development Team Experience
- Project Design
- Property Management
- Site Selection
- Long-term Sustainability
- Minority Concentration
- Project Budget (reasonable and necessary)
- Agency Capacity
- Leveraging
- Overall Project Feasibility
- Marketability
- Neighborhood Standards
- Extra Points for Permanent Supportive Housing
