

**CELEBRATING 35 YEARS OF TEAMWORK,  
COMPANY PRIDE AND CORPORATE WELLNESS!**

# WHY YOU SHOULD JOIN CORPORATE CHALLENGE!

PR-1963-08-19 MC

For 35 years, Corporate Challenge has been a healthy way for local companies and their employees to stay active in the community while adding a social component for those that want to sit on the sidelines and cheer on their colleagues. As a staple of the amateur athletic community in the valley, now more than ever, employees need the opportunity for unity, togetherness and camaraderie. Corporate Challenge promotes, enables and supports teamwork, company pride and corporate wellness. Some of today's most successful companies understand the real business benefits of being involved in corporate activities from an organizational perspective. Well-structured events are an excellent way to encourage initiative, reward the commitment of key staff, improve moral, inspire cooperation and supercharge future performance.

Corporate Challenge brings the spirit of the Olympics to a local and more intimate playing field. We offer 41 different events throughout the Las Vegas valley during an 12-week span of time. Events begin the first week of March and continue through the end of May. We offer events such as basketball, bocce, golf, poker, tennis, softball and volleyball. Companies are divided into one of three categories, depending on the number of employees. We do this to equal out the playing field and make competition more appealing and fair.

In addition to the many benefits it has for employees, it can also be used as a cost-effective marketing tool to promote your company and garner business. Throughout the 12 weeks of competition, more than 20,000 players and spectators are repeatedly exposed to company names and logos as well as witnessing team spirit and sportsmanship. Each company that participates designs individual team shirts to wear. This is great exposure to market your company. Your logo will be seen at 42 different events and venues and mentioned throughout various event publications. Now more than ever, our businesses, our teams and our citizens need healthy activities to share.

If you want to set up a meeting to further discuss the benefits of this program or for more information, please contact Andrea Anzalone, Corporate Challenge coordinator, at 702.229.6706.
