ART WALK

Take a stroll from Bridger to Boulder Avenue and witness the beauty of the Aerial Gallery Banners as they soar through the skies of Las Vegas. This display is honoring a collection of Nevada Artists.

"I was so thrilled to see all the other artists' works. It makes people realize there are artists who live here and are doing very interesting and different types of works. Art is something everybody can enjoy and participate in. I think that's the message of public art."

Austine Wood Comarow (2019 Aerial Gallery Artist) The Las Vegas Weekly
