The 1940's era apartment buildings are old and blighted. This exterior remodel will add 9 new one bedroom units of multifamily housing in the redevelopment area and will employ at least 2 FTEs.

The MFRVIP funds will be used to assist with renovating the façade of the 9 unit apartment building. The property owner is also improving the parking lot and landscaping, significantly improving the appearance within the neighborhood. No new annual state and local tax will be generated as a result of this project as it is an existing building.
