

# Register Account When System is Unable to Locate

Because you do not currently have any open invoices, our payment system (InvoiceCloud) has trouble pulling up your account. Below is the alternate way to getting your account registered.

[www.lasvegasnevada.gov/sewer](http://www.lasvegasnevada.gov/sewer) will route you to our invoice service (InvoiceCloud).

When you are on the home page, click "Sign In" at the top right.

The screenshot shows the top navigation bar of the City of Las Vegas Sewer Services website. On the left is the City of Las Vegas logo and the text "Sewer Services". On the right are three links: "Sign In" (highlighted in yellow), "Register", and "Contact Us". Below the navigation bar is a section titled "Pay or View Bills". This section contains two columns. The left column has the text "Pay online with One Time Pay, no registration required." and a dark blue button labeled "Pay Now". The right column has the text "Create an account to be able to use extended features." and a white button with a dark blue border labeled "Register Now". At the bottom of the page, there is a paragraph: "The city of Las Vegas is excited to offer residents an easy and convenient method to view and pay their sewer bills online."

The link will route you to this page. Click the blue box with the arrow that says "Register Now".
