24 requirements of this Section if the call was not canceled by the FAO before the expiration of the response  
25 time requirements.

1 standard set forth in Subsection (A) of this Section will apply. If the FAO reopens the call, the franchisee  
2 shall consider it a new call and calculate the response time from the time the franchisee receives information  
3 that the call has been reopened to the time when the ambulance dispatched to the incident arrives and reports  
4 that it is on scene, or when the dispatched ambulance en route to an incident is canceled by the FAO dispatch.

5 (G) When multiple ambulances are dispatched by FAO to a single incident, the  
6 applicable response time standards set forth in Subsection (A) of this Section will apply only to the first  
7 ambulance dispatched by FAO, and additional ambulances responding to the incident will not have a response  
8 time requirement nor be counted as a separate call by a franchisee in calculating its monthly ninety percent  
9 response time compliance required by this Section.

10 (H) When a franchisee requests mutual aid from an authorized franchisee, the requesting  
11 franchisee will count that call in its total monthly calls in calculating its ninety percent on-time response  
12 requirements of this Section and will be responsible for any incidental late penalties for such response.

13 (I) The franchise agreement may specify an area of the City wherein the response time  
14 requirements of this Section shall not apply.

15 (J) In addition to any other liquidated damage assessment, remedy or penalty provided  
16 in this Chapter or the franchise agreement, failure of a franchisee to meet the monthly ninety percent response  
17 time requirements set forth in this Chapter within its service area or any sub-zone thereof, as defined by the  
18 franchise agreement, for any four months during any period consisting of twelve consecutive calendar months

9 SECTION 18: Title 6, Chapter 8, Section 280, of the Municipal Code of the City of Las  
10 Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

11 **6.08.280:** (A) A franchisee's obligations under its franchise involve personal services whose  
12 performance involves personal credit, trust and confidence in the franchisee.

13 (B) No transfer of ownership or control shall occur unless prior application is made by  
14 the franchisee to the City, and the City Council's prior written consent is obtained, pursuant to this Chapter  
15 and the franchise agreement, and only then upon such terms and conditions as the City Council deems  
16 necessary and proper. Any such transfer of ownership or control without the prior written consent of the City  
17 Council shall be considered to impair the City's assurance of due performance. The granting of approval for  
18 a transfer of ownership or control in one instance shall not be deemed as granting approval of any subsequent  
19 transfer of ownership or control.

20 (C) Approval by the City Council of a transfer of ownership or control does not  
21 constitute a waiver or release of any of the rights of the City under this Chapter or a franchise agreement,  
22 whether arising before or after the date of the transfer of ownership or control.

23 (D) A franchisee shall promptly notify the [Director] Franchise Officer of any proposed  
24 transfer of ownership or control.

25 (E) Prior to any transfer of ownership or control, the franchisee shall submit to the  
26 [Director] Franchise Officer a written request for approval of the transfer of ownership or control. Such

1 request shall provide complete information on the proposed transaction, including details on the legal,  
2 financial, technical, and other qualifications of the transferee, and any other information as determined  
3 necessary by the [Director.] Franchise Officer.

4 (F) For the purposes of determining whether it shall consent to a transfer of ownership  
5 or control, the City or its agents may inquire into all qualifications of the prospective transferee and such  
6 other matters as the City may deem necessary to determine whether the transfer of ownership or control is in  
7 the public interest and should be approved, denied, or conditioned. The franchisee and any prospective  
8 transferee shall assist the City in any such inquiry, and if they fail to do so, the request for transfer of  
9 ownership or control may be denied.

10 (G) Any transfer of ownership or control without the City Council's prior approval shall  
11 be ineffective, and shall be grounds for revocation of the franchise, at the City Council's sole discretion, and  
12 to any other remedies available under the agreement or applicable law.

13 (H) A franchisee shall be fully liable under its franchise agreement for any transfer of  
14 ownership or control that is in violation of the terms of its franchise agreement or of this Chapter and caused  
15 in whole or in part by any other entity or entities, including but not limited to any parent or affiliated entities,  
16 as if such transfer of ownership or control had been caused by the franchisee itself.

17 (I) The City Council, in its sole discretion, may approve or deny a transfer of ownership  
18 or control of a franchise. As part of its determination the City Council may approve a transfer subject to such  
19 conditions as the City Council may deem necessary. In addition, the following conditions to any approval of  
20 transfer of ownership or control of a franchise shall apply:

21 (1) The City reserves the right to review, among other things, the purchase price  
22 of any transfer of ownership or control of a franchise or ambulance service operation, and to take any  
23 necessary steps, including denial of the transfer of ownership or control, to ensure that any negotiated sale  
24 value which the City deems unreasonable will not adversely affect rates charged by the ambulance service  
25 franchisee; and

26 (2) Any mortgage, pledge or lease shall be subject and subordinate to the rights

1 of the City under the franchise agreement, this Chapter, and other applicable law.

2 (J) No application for a transfer of ownership or control shall be approved unless the  
3 transferee agrees in writing that it will abide by and accept all terms of the franchise agreement, any other  
4 agreements between the City and franchisee, and this Chapter, and that it will assume the obligations,  
5 liabilities, and responsibility for all acts and omissions, known and unknown, of the previous franchisee under  
6 its franchise agreement, other agreements between the City and franchisee and this Chapter for all purposes,  
7 including any extension of the franchise, unless the City Council, in its sole discretion, expressly waives this  
8 requirement in whole or in part.

9 (K) A rebuttable presumption that a transfer of control has occurred shall arise upon the  
10 acquisition or accumulation of five percent or more of the ownership of an entity by any person or group of  
11 persons acting in concert, none of whom already own or control fifty percent or more of such right or control,  
12 singularly or collectively.

13 (L) A franchisee is responsible for ensuring that the intent of this Chapter regarding  
14 transfers is carried out. If for any reason an event occurs that would require the City's approval of a transfer  
15 pursuant to this Chapter, whether or not such event is directly or indirectly within the franchisee's control,  
16 such event shall constitute a transfer for purposes of this Chapter and any applicable law.

17 SECTION 19: Title 6, Chapter 8, Section 290, of the Municipal Code of the City of Las  
18 Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

19 **6.08.290:** (A) The City Council may revoke a franchise if it finds that:

20 (1) The franchisee has failed to meet any of the performance standards of this  
21 Chapter;

22 (2) The franchise was obtained by fraud or misrepresentation;

23 (3) The franchisee has failed to operate its ambulance service business in  
24 accordance with all applicable laws and regulations and the franchise agreement;

1 (5) The franchisee otherwise has failed to meet any of the provisions of any  
2 state, local or Federal law or regulation[.]; or

3 (6) The franchisee is found to have falsified or intentionally provided erroneous  
4 records related to its franchise operations.

5 (B) The City Council may revoke a franchise upon twelve hours' notice to a franchisee  
6 in the event that any failure of the franchisee which constitutes a significant and immediate threat to public  
7 health and safety is not cured to the satisfaction of the City Council within such time.

8 (C) Except with respect to findings described in Paragraphs (2) and (6) of Subsection  
9 (A) of this Section, and except as otherwise provided in Subsection (B) of this Section, prior to revoking a  
10 franchise the City Council shall first provide written notice to the franchisee stating its intent to revoke the  
11 franchise and the nature of the deficiency. The franchisee shall have twenty days from receipt of notice to  
12 cure such deficiency to the satisfaction of the City Council. If such deficiency is not so cured, the City Council  
13 may issue a notice of revocation stating any deficiencies and the effective date of the revocation.

14 (D) The City shall provide the franchise written notice, at the time the public receives  
15 written notice pursuant to NRS Chapter 241, of any City Council meeting at which a franchise is being  
16 considered for revocation.

17 (E) In an emergency, as defined in NRS 241.020, the City Council may revoke a  
18 franchise without prior notification.

19 SECTION 20: Title 6, Chapter 8, Section 300, of the Municipal Code of the City of Las

21 **6.08.300:** (A) To ensure that ambulance service remains uninterrupted in the event of premature  
22 termination of a franchise for any reason, and to ensure that all fees, fines, penalties or other amounts owed  
23 to the City are paid, a franchisee shall provide and maintain, as a condition of the franchise, and prior to  
24 providing any ambulance services in the City, security in the form of cash, an irrevocable pledge of certificate  
25 of deposit, an irrevocable letter of credit or a performance bond as agreed in the franchise agreement. In the  
26 event that an ambulance service only holds a franchise in the City for non-911-dispatched and nonemergency

1 CCT service, such security shall be in the minimal amount of one hundred thousand dollars made payable to  
2 the City Treasurer and delivered to the [Director.] Franchise Officer. In the event that an ambulance service  
3 holds a franchise for both emergency and nonemergency transports or just emergency transports such security  
4 shall be in the amount of one million dollars made payable to the City Treasurer and delivered to the  
5 [Director.] Franchise Officer.

6 (B) If performance bonds are used to satisfy the security requirements of this Section,  
7 they shall comply with the following requirements:

8 (1) All bonds shall provide for payment of the City's reasonable attorneys' fees  
9 to enforce the bond.

10 (2) All bonds shall be issued by a surety company authorized to do business in
