

CITY OF LAS VEGAS
REDEVELOPMENT AGENCY
FY 2014
FINAL
BUDGET

May 30, 2013

Nevada Department of Taxation
1550 E. College Parkway, Suite 115
Carson City, NV 89706

Submitted herewith is the Fiscal Year Ending June 30, 2014, Final Budget of the City of Las Vegas Redevelopment Agency and Tax Increment Area.

This budget contains a Debt Service Fund which requires property tax revenues totaling \$13,100,000 and a tax rate of 3.2802. The apportionment to the Agency is 2.5049 per \$100 of assessed valuation of \$568,564,713.

The property tax rates computed herein are based on preliminary data. If the final state computations require an adjustment to the rates of the affected overlapping entities, the rate certified for the Agency is to be the sum of those adjusted rates.

This budget contains two governmental funds with estimated expenditures of \$21,920,500.

Copies of this budget have been filed for public record and inspection in the offices enumerated in NRS 354.598 (Local Government Budget Act).

TO THE CHAIRPERSON AND BOARD MEMBERS OF THE CITY OF LAS VEGAS REDEVELOPMENT AGENCY; TO PARTICIPANTS AND OWNERS WITHIN THE REDEVELOPMENT PLAN AREA; AND TO THE CITIZENS OF LAS VEGAS:

The staff of the city of Las Vegas Redevelopment Agency (RDA) is pleased to present the proposed Redevelopment Agency Budget for Fiscal Year 2014. The Redevelopment Agency was established by adoption of the Redevelopment Plan by Ordinance 3218, on March 5, 1986, in conformity with Nevada Community Redevelopment Law (NRS 279). The original plan had a 30-year horizon to 2016. The principal purpose of the Agency is to foster the revitalization of the downtown core districts and surrounding older neighborhoods. The boundaries of the redevelopment area were subsequently expanded by Ordinance 3339, adopted February 3, 1988, and Ordinance 4056 adopted November 4, 1996, to encompass other areas of the City that have experienced a slow economic decline since the Agency was first created. Encouraged and allowable land uses within the plan area were clarified by Ordinance 3667, adopted on April 1, 1992, in coordination with the city of Las Vegas 1992 General Plan. In 2004, a revised and simplified land use encouraging dense, urban, mixed-use development with ground-floor retail and variety of uses above grade was adopted by the Agency.

In 1999, the Nevada Legislature extended the life of the Las Vegas Redevelopment Agency until 2031, and also expanded the agency set-aside for affordable housing. The Agency has amended and expanded the redevelopment area to include an additional 750 acres in six different locations throughout the city that qualified as blight. The 2020 Master Plan places great emphasis on downtown redevelopment and revitalization of older neighborhoods in and around downtown. The Downtown Centennial Plan creates a shared vision for the future of our downtown and establishes for the first time special urban development standards for the entire downtown core districts.

Moving forward, the redevelopment agency realizes significant challenges given the dramatic downturn in property values resulting from the great recession which has constrained agency revenues and makes strategic planning more important than making future agency investments. Fortunately, during this past year the redevelopment area and downtown Las Vegas has undergone incredible transition and realized widespread new activity to show the citizens of the city of Las Vegas return on their investment through the agency and the city and in their redevelopment efforts. Initiatives going forward will include continuing the course of realizing the spinoffs of key past major investments to include the Smith Center for the Performing Arts, Symphony Park, the new City Hall, the Fremont East Entertainment District and 18 B Arts District, and the corresponding infrastructure investments in new streets, utilities and other projects to connect all of the new activities. It will be blended with investments in new initiatives to include support for the Zappos/Downtown Project investment; major business attraction; small business startups; the development of the downtown medical district; the completion of the Westside school project; a downtown sports arena; new plan for Cashman Center; and others that will support greater diversification and inclusion not only in the city of Las Vegas but the entire southern Nevada region.

As examples of this new vitality in spite of the economic recession some of the more recent major accomplishments achieved in the redevelopment area(s) include:

- Opening of the three-level, 58,000-square-foot Discovery Children's Museum in March 2013 within the RDA's Symphony Park.
- Opening of the Neon Museum.
- Reaching the halfway mark on construction of the \$35 million, 11-story, 140,000-square-foot Federal Justice Tower located off Las Vegas Boulevard in the downtown area. Anticipated to be completed in December 2013, this building will house four federal government agencies.
- \$100 million renovation of the Downtown Grand Hotel & Casino (formerly the Lady Luck). Closed since 2006, this complex is anticipated to reopen in late 2013.
- \$40 million in upgrades to the former Las Vegas City Hall; beginning in the fall of 2013, this facility will serve as the new corporate headquarters for well-known online retailer, Zappos.com.
- Recruiting Take-Two Interactive Software, Inc. testing studio to downtown Las Vegas. This move is expected to bring at least 150 high-tech jobs to our area.
- Creation of a new business incentive called the Quick Start Program. Under this program, qualified applicants will be reimbursed up to \$50,000 toward the cost of rehabilitating older structures to bring them up to current building and fire code standards.
- Creation of a new city of Las Vegas Redevelopment Area 2 (RDA 2), officially adopted in August 2012 by the Las Vegas City Council. This new RDA 2 designation allows the Redevelopment Agency to provide additional qualified owners/operators with certain business incentives.
- Construction of additional affordable housing for area senior citizens.
- Construction of and improvements to sidewalks in older neighborhoods throughout Wards 3 and 5.
- Adding additional free parking downtown and awarding a contract to install technologically advanced multispace parking meters. These solar-powered meters, which will be installed in the summer of 2013, will enable users to print receipts and use credit and debit cards, as well as coins. They will also enable residents and visitors to use mobile device apps to determine where on-street parking is available in real time.

Respectfully Submitted,

Elizabeth N. Fretwell, Executive Director
Las Vegas Redevelopment Agency
