

City of Las Vegas

Department of Neighborhood Services

FY2027-2028 Neighborhood Partners Fund (NPF) Program

Applicant Program Overview & Schedule

Purpose

The Neighborhood Partners Fund (NPF) is open to neighborhood associations from all Wards. NPF provides funding opportunities for residents to generate resolutions to critical neighborhood issues while creating a link between communities and city government. There is **\$100,000** available for neighborhood grants this year.

Eligibility

Neighborhood-based associations, whose purpose is to improve the quality of life in their designated areas, can apply for NPF grants. These associations must be registered with the City of Las Vegas My Neighborhoods Program and have met at least once prior to the submission of the grant.

Grants of up to \$10,000 are available for projects that:

- Addressing a meaningful neighborhood need that transforms the community
- Occur within the city of Las Vegas limits
- Are completed within a 12-month period or as stated in the NPF agreement

The grant request must be matched with volunteer time, donations of goods and professional services and/or cash contributions (volunteer time is valued at \$37.55 per hour, but the value changes each year). To ensure neighborhood involvement, 25 percent of the matching amount must be volunteer hours from the neighborhood. Only one project is permitted per year per neighborhood association.

Note: Before any funds can be released, it is required that the NPF agreement is signed by both President and Project Leader. Projects on private property or in the public rights-of-way will require proof of permission upon the grant submission. It is the sole responsibility of neighborhood associations to be accountable for the ongoing maintenance of landscape projects or other types of projects located in the public rights-of-way.

Eligible Projects

The NPF program has funded many projects that improve the neighborhoods. Examples of qualifying projects include, but are not limited, to the list below:

- Cultural and community events (e.g. block parties, community workshops)
- Newsletters to inform residents about important issues and upcoming events
- Trash and debris cleanup (e.g. dumpster rentals, bags, trash pickers)
- Murals
- Materials to clean up graffiti
- Sustainability projects (e.g. LED light conversions, drought tolerant trees and shrubs in HOA common areas)
- Safety improvement projects (e.g. security lighting or cameras)
- Back-to-school backpacks and supplies
