

Toys for Tickets – 2026 Holiday Season

Program Information

City of Las Vegas Parking Services is partnering with Chicanos Por La Causa (CPLC) to offer a program allowing customers to pay parking fines with toys this holiday season. For more than 15 years, CPLC has been empowering Nevada communities and creating opportunities for individuals and families to thrive. From housing counseling and affordable housing, to youth workforce development, small-business loans and technical assistance, and free tax preparation, CPLC is helping Nevadans build stronger and stable futures. Youthbuild is a program that supports young adults ages 16-24 in earning their high school diploma or equivalent while receiving hands-on training in construction. The students gain industry skills, safety certifications, leadership development and career readiness experience to prepare them for the employment in the construction field. CPLC also provides supportive housing programs; HOPWA and Operation HOME. HOPWA serves the short-term and emergency housing needs of individuals and families of those living with HIV/AIDS and Operation Home is an initiative in Southern Nevada designed to quickly and permanently house individuals and families experiencing homelessness. Finally, CPLC provides Housing Counseling for first-time homebuyers and those who may be facing foreclosure.
