Sports/Games

All Around Challenge - Participants will enjoy a variety of track and field events, like relay races, obstacle courses and many more while adding a twist to them all for an all-around good time!

Batter UP Baseball - Participants will have fun while learning the fundamentals of baseball.

Let's Bounce (Basketball) - Learn drills in dribbling, passing, shooting, defense and offense. This camp will help prepare participants for league play. The field trip for the week is to watch the NBA games at Thomas and Mack Center. This is a real treat for basketball enthusiasts.

Flag Football Frenzy - Participants will learn basic skills in passing, receiving, running routes, offense and defense. Pulling flags and rules of the game along with running plays and passing plays will be taught. This camp will prepare players for league play.

Getting "Sticky" with It – This camp will include different variations of hockey and other sports played with sticks, like scooter hockey, noodle hockey, noodle golf, miniature hockey, miniature golf, baseball hockey, and relay hockey.

Playground Games - Includes a variety of games and sports played on playgrounds.

Let's Kick It Soccer - Participants will learn basic skills in dribbling, passing, scoring, penalty shots, and goalie and field knowledge. This camp will help participants prepare for league play.

Sportastic Sampler - Sports sampler will include a variety of traditional and non-traditional sports, to include basketball, football, soccer, relay games, bowling and volleyball. Participants will learn basic rules, practice skills and play the games.

VSPN - VSPN week will include games that are sports-related (popular game shows like "Family Feud," Minute to Win It"), along with 3-on-3 tournaments, dunk contests, lay-up contest, live broadcasting, after-game interviews and more!

Music/Dance/Art

America's Got Talent - No talent will go unseen as we prepare for our annual talent show.

Chef's Creations - Participants will learn basic etiquette, kitchen safety and get to create some yummy options.

Color Your World - Paint, sketch and draw your way towards becoming a true artist. In this camp you will learn new ways to paint and color on a variety of mediums.

Cheer Nation - Give me an "S" for Summer Camp! Campers will learn a dance, routine, some chants and cheers during this week.

Flipping Over Summer - Participants have fun learning tumbling and gymnastics basics.

It's Showtime! Greatest Showman - Participants will learn fun dances based on the movie "The Greatest Showman."

Move and Groove - Participants will not only get to learn some new dance moves but will also have fun learning tumbling and gymnastics basics.

Messy Masterpieces - Join us for an advanced art camp where you can get messy. Please wear old clothes.

Strolling Down Broadway - Learn, practice and perform a variety of music and build your skill and confidence.

Super STEAM Camp

Amazonian Adventure - Ever wondered what happens in the Amazon Rainforest? Come explore the exotic animals and plants of this famous forest.

The Great Outdoors - Learn the fundamentals of camping and camping equipment while creating our own camping experiences right in our facility. Enjoy the camping experience while exploring the fun world of fire science.

Computer Science - Do you enjoy computers? This is definitely the camp for you. Come along and learn about the wonderful world of television, broadcasting, block coding and creating communication devices.

LEGO to Camp - On your own and in groups, design and build your own realm with Legos while interacting in some fun challenges. Come build with us!

Mad Scientist - Learn cool stuff you can do with science while having fun. Like states of matter and chemical reactions, discovering the laws of attraction with magnets, making a soda fountain and more!

Physics and Sports - Let's get active and engage in some baseball, soccer and bowling, all while giving campers the opportunity to explore what happens to the human body during exercise and how different types of sports training affect our bodies.

Under the Sea - Mermaids, sharks, fish, oh my! Come explore and learn about life under the sea through crafts, games, books, and more at Under the Sea camp! Let's engage in learning and fun while exploring ocean science and sea life!

Water World - Lots of cool water play all week long. Be prepared to have fun and get wet.

World of Art - Art campers will learn basic drawing techniques and explore many fantastic art forms using different media. As we cut, draw, paint, glitter, glue, rub pastels, sketch, and make optical illusions, 3D and art from various times in history. Campers, we also will be developing our storytelling and team-building skills.

Zootopia - Want to take a safari? Campers will learn how nature works by embarking on nature walks to learn about birds, insects and critters and their importance in the ecosystem. Find out about the animal world – species, habitats, shelters, diets and more.

Teen Adventure Camp

Get out and be adventurous! Teens will experience field trips three days per week. This is their chance to go paddle boarding, hiking, rafting, rock climbing, kayaking and much more.

A portion of each day is spent participating in specialty activities. Camp also includes arts and crafts, games, sports, field trips and swimming.
