CORPORATE CHALLENGE 2019

COMPANY COORDINATORS

OPERATION MANUAL

How the Games Work

- Businesses compete within a division of companies of similar size. Divisions vary from year to year according to the number and size of teams entering Corporate Challenge.
- Each company selects a Company Coordinator as the liaison between the company and the Corporate Challenge office.

Divisions and Teams

Teams are composed of employees from the various submitted corporate entities, either public or private. Three divisions of competition have been established to ensure that each company competes on an equal basis with other companies that have a similar number of employees. Small businesses may join together to form an aggregate "company" of up to 150 employees.

Responsibilities of the Company Coordinator

They handle company registration, attend Corporate Challenge Coordinator meetings, and select team captains.

Responsibilities of the Team Captain

They prepare the team to play, secure practice times, coordinate practices with individual work schedules, and assure that the team is on time for each event.

Number of Teams in Each Division

A = ; B = ; C =

Participant Requirements

- Minimum age is 18
- Must not be attending high school
- Work at least 20 hours per week
- Work in the Southern Nevada metropolitan area
- A player cannot participate for more than one team regardless of work situation

Retirees may compete for the company from which they retired. They must carry photo identification plus a letter on official company stationery stating:

- That they are retired
- The date of retirement
- The length of employment with the company
- Participant identification

Participants must carry proof of employment at all times. Acceptable identification is either a work photo identification card, business card, a current paycheck stub AND your driver's license.

The individual who contributes the most time to help with Corporate Challenge will receive the "Volunteer of the Year" award at Closing Ceremonies.

REMINDERS...

Torch Relay

Corporate Challenge has several ceremonies patterned after the Olympics. One of them is the Torch Relay. The relay starts with the lighting of the torch at a selected site. From there the torch is routed throughout the community to gather as much public exposure as possible. The torch is then used to light the cauldron at Opening Ceremonies to declare the opening of the games.

The route is carefully planned, taking into consideration the time of day and traffic patterns. All hand-off points are designated to be convenient and safe. We invite all the companies participating in Corporate Challenge to be a part of this symbolic opening of the games.

If you wish to participate, indicate on the Verification of Events form and submit to the Corporate Challenge Coordinator by Feb. 11. At the first team captains meeting (Feb. 21) your company can choose the specific leg that you prefer to run. A bonus point will be given for running a leg of the relay.

Opening Ceremonies

If your company plans on bringing a booth or tent w/food for your employees, you must let me know by Feb. 18. We will map out where your team location will be at the Opening Ceremonies hosting site. Opening Ceremonies will take place at 6 p.m. directly after the Executive Relay.

Parade of Banners

We are not going to do our tradition Parade of Banners this year as Opening Ceremonies is at one enclosed location. Rather, we want your company to send in two picks; one of your company logo and one of your team. These pictures will be displayed as a power point at the Opening Ceremonies. Deadline for pictures is Feb 18.

National Anthem

We are looking for someone to sing the National Anthem. Our 12th Annual Corporate Challenge Idol competition will be held Feb. 20 at our East Las Vegas Community Center from 5:30-7 p.m. If you know someone who loves to sing, please inform them of the tryouts. Contestants must be employed by the representing company and they must email or phone me for reservations because we do have limited time slots.

Executive Relay

The Executive Relay begins at 5 p.m. at the Zappos hosting site. This is an opportunity for the "upper echelon" to win the first medals of the CC games. Presidents, VP's, managers, etc. can demonstrate their athletic ability in a variety of specially designed activities (much like a relay race). 5-6 individuals are needed. You must mark the space on the "verification of events" form.

Closing Ceremonies

Ceremonies are on May 18 and will begin at 10 a.m. at Lorenzi Park after the Mayors Walk. We will be presenting the awards (plaques, trophies and t-shirt winners). We also will be hosting a rib cook off and dessert bake off. More details will be provided throughout the season.

Miscellaneous Items

- Send me a list of all the companies that make up your team
- New Event this year; Escape Room & ESports
- One person from your company can play in more than event
- If an employee is employed by more than one company in the CC games, they must only play for one of the teams throughout the entire season
