As audition packets are received they will be placed into a timeline schedule for Oct. 21-23, with audition times between noon and 5 p.m. If a specific audition time is needed due to work schedules, etc., please write your requested date and time in the audition request area of the audition form. Attempts will be made to accommodate schedules as requested, please keep in mind that we may not be able to honor all requests. If you are auditioning for more than one act, a separate picture and audition form must be submitted for each act.
