

What Pickleball League Players Need To Know

Here are some things you need to know to ensure you maximize your enjoyment for yourself and others:

- Players must bring their own paddles.
- **ATTENDANCE:** The league's success is based on attendance. Everyone is expected to be present or have a sub for each night of league play. All players are responsible for finding their own subs. If you cannot find a sub, you need to contact the league a minimum of three hours before league play. Please text **702.596.0730** with your name and the league you are in when in need of a sub. A no-show can get you dropped from the league and a permanent replacement will be found with no refund. A no-show is defined as not showing up, no sub showing up, and no call. Please be respectful of the other players in the league.
- **SCORING UPDATES:** Scores will be input by court monitors and will be available at the links below. This link will be your portal to all your daily scores. Scores will be inputted by within 24-48 hours. Emails will be sent out on Fridays for all league scores for those who are having trouble with the link or accessing the webpage.
- **BE PROMPT:** Please make sure to show up on time. We would like for players to check in 10 to 15 minutes before game time.
- **WEATHER & CANCELLATION:** Inclement weather or high winds could cancel games. All games will be played; the season will be pushed back if cancellations are required. Games will be played unless you hear from Jason Dyer or the Sports Office. You will receive an email, followed by a text message if and when games are canceled; otherwise games will be played. Sometimes it could be a game-time decision.
- **Sportsmanship** is always expected. Please read our mission statement below.
- HAVE FUN!!!
