Sports Camp

Wild Wheels - Participants will experience a week of wheel-themed activities: RC Car, gravity drag races, obstacle courses and many more, while adding a twist for an all-around good time!

Batter Up Baseball - Participants will have fun while learning the fundamentals of baseball.

Let's Bounce (Basketball) - Learn drills in dribbling, passing, shooting, defense and offense. This camp will help prepare participants for league play. This is a real treat for basketball enthusiasts.

Flag Football Frenzy - Participants will learn basic skills in passing, receiving, running routes, offense and defense. Pulling flags and rules of the game along with running and passing plays will be taught. This camp will prepare players for league play.

Getting "Sticky" with It - This camp will include different variations of hockey and other sports played with sticks such as hockey, scooter hockey, noodle hockey, noodle golf, miniature hockey, miniature golf, baseball hockey, and relay hockey.

Playground Games - Includes a variation of games and sports played on playgrounds.

Let's Kick It Soccer - Participants will learn basic skills in dribbling, passing, scoring, penalty shots, goal keeper and field knowledge. This camp will help participants prepare for league play.

Sportastic Sampler - Sports sampler will include a variety of traditional and non-traditional sports, to include basketball, football, soccer, relay games, bowling and volleyball. Participants will learn basic rules, practice skills.

Don't Get "Pickled" Ball - this week will include racquet sports while experiencing the fastest growing sport PICKLEBALL. We will have mini tournaments, fun contests and activities.

Minute to Win It - Test your skills with a variety of fun, challenging, silly, out-of-the-ordinary obstacles.

Throwing Frenzy - Throwing frenzy will have a variety of games shot put, corn whole, horseshoe toss, and Frisbee.

Game Masters

Game Creators - Putting our own spin on games and creating different types of games based on classics.

Retro - Learning the in/out of classic favorites: Clue, Life, Chutes and Ladders, Tetris and more.

Pokémon - Calling all trainers for a week full of Pokémon-based activities with our own little twist.

Fortnite Royale - Incorporating OG Fortnite with building/games encompassing all things Fortnite.

Game board - Building our own game boards from the ground up, including life-size games.

Nerf Mania - Calling all nerf enthusiasts! We will play a variety of games. Participants are encouraged to bring their own Nerf guns; we will provide standard-size ammo.

Mario Party - It's Me Mario! A week of all things Mario, from Mario Kart, Party, the Movie, and many more!

Among Us - Are you SUS? A week of Among Us from creating obstacles to playing the game with our own little spin to it.

Game Show Week - All things Trivia! Playing games including: Price is Right, Family Feud, Deal or No Deal, and many more

Mobile Madness - A week of fun incorporating the fundamentals from the best mobile games from the 2000's such as: Angry Birds, Doodle Jump, Temple Run and Fruit Ninja. We will make mobile games into real-life, fun activities.

Remix Week - Campers will get to vote on the best activity of each week. This week will encompass the best of Game Masters camp.

Music/Dance/Art

Music Mania - No talent needed. Participants will experience a week of creating melodies while building unique instruments.

Chef's Creations - Participants will learn basic dining etiquette, kitchen safety and get to create some yummy options. We also will have a proper English tea party.

Color Your World - Paint, sketch and draw your way towards becoming a true artist. In this camp you will learn new ways to paint and color on a variety of mediums.

Cheer Nation - Give me an "S" for Summer Camp! Campers will learn a dance, routine, some chants and cheers during this week.

Flipping Over Summer - Participants have fun learning tumbling and gymnastics basics.

Strolling Down Broadway! - Participants will learn various songs and fun dances based on popular BROADWAY Shows!

The Masked Singer - Participants will lip sync and perform while disguised in their own hand-created masks and costumes.

Messy Masterpieces - Join us for an advanced art camp where you can get messy. Please dress for a mess.

Project Runway - Chanel your inner designer. This week will include a fashion show of our participants' designs and one-of-a-kind style.

Storyteller - Building a storybook from scratch. This week will be full of art, writing and innovation, including a teddy bear picnic.

Future Foodies - Participants will have a chance to prepare and try an array of different trending cuisines from around the world

Super STEAM Camp

Crafty Creations - Let your creativity blossom! Participants will design and create a variety of art with different mediums.

The Great Outdoors - Learn the fundamentals of camping and camping equipment while creating your own camping experiences right in our facility. Enjoy the camping experience while exploring the fun world of fire science.

Experiment Master - Do you enjoy chemistry? This week will be filled with experiments and crazy concoctions!

LEGO to Camp - On your own and in groups, design and build your own realm with Legos while interacting in some fun challenges. Come build with us!

Food Fizzics - Do cool food science experiments and concoct cool treats. Learn about states of matter and chemical reactions, like making a soda fountain and more!

Awesome Architects - Become summer camp gurus with a week of design, building construction, learning about famous structures and fort fun.

Under the Sea - Mermaids, sharks, fish, oh my! Come explore and learn about life under the sea through crafts, games, books, and more at Under the Sea Camp! Let's engage in learning and fun while exploring Ocean Science and sea life!

Water World - Lots of cool water play all week long. Be prepared to have fun and get wet.

Myth Busters - We are testing theories to prove or disprove what is myth and what is urban legend with safe and fun science experiments.

World of Art - Art campers will learn basic drawing techniques and explore many fantastic art forms using different media. As we cut, draw, paint, glitter, glue, rub pastels, sketch, and create 3D and art from various times in history. Campers also will be developing storytelling and team-building skills.

Zootopia - Want to take a safari? Campers will learn how nature works by embarking on nature walks to learn about birds, insects, critters and their importance in the ecosystem. Find out about the animal world – species, habitats, shelters, diets and more.

Robotic Week - Take STEAM to a whole new level. A week of futuristic creation and technology.

Teen Camp

This is a teen camp for participants ages 12-14. Participants will experience a variety of field trips, recreation activities, swimming and much more. Camp will incorporate community service-based projects, integrating with youth, adaptive and senior populations of our community. **A portion of each day is spent participating in specialty activities. Camp also includes arts and crafts, games, sports, field trips and swimming.**
