

The Women in Nevada History Legacy Digital Project combines several research projects that spanned over twenty years. Below, visitors will find biographic information in text, image, audio, and video that fills in major gaps in the history of women's participation in the development of the state.

Women in Nevada History Legacy Digital Project

Grant	\$25,553.64
Organization	Board of Regents of the Nevada System of Higher Education on behalf of Women's Research Institute of Nevada
Year	2016
	<p>Women's Research Institute of Nevada (WRIN) operates as an administrative unit located in the College of Liberal Arts at the University of Nevada, Las Vegas.</p> <p>The Centennial Commission awarded the WRIN a grant in the amount of \$25,553.64 to enhance their on-line archives and edit several previously recorded interviews for posting on their website. The interviews were recorded in 2014 for a Vegas PBS three-part documentary series about women community builders in Las Vegas. Centennial funding was used to edit the documentary interviews into short clips that are available on the website. Funding was also used to add more robust educational materials to the website with images of historic Las Vegas women and links to digital bibliographies including their original memoirs, diaries, letters and books.</p> <p>https://makersteachingmodules.sites.unlv.edu/</p>
