---

<b>Grant</b>	\$3,750
<b>Organization</b>	Commission for the Las Vegas Centennial
<b>Year</b>	2016
	<p>The Commission allocated funding in the amount of \$3,750 to hire the professional services of consultant Deborah Campbell and Associates to facilitate a strategic plan during a special training and planning session. The session focused on identifying goals and ideas of how to streamline the grants process and be more proactive by seeking out projects rather than having projects presented to them. As a result of the training the following were enacted: vetting applications prior to presentations at meetings, requiring the inclusion of the Centennial logo on all completed projects and grant recipients required to give a presentation to the Commission once a project is completed.</p> <p>Additionally, the Commission listed preferred funding for the following, (1) Historic Building Preservation (2) Events &amp; Educational Opportunities (3) Arts &amp; Media.</p>
