The Las Vegas Asian American and Pacific Islander Oral History Project

Asian American & Pacific Islander Oral History Project

Grant	\$50,000
Organization	Board of Regents of the Nevada System of Higher Education, University of Nevada, Las Vegas (UNLV)
Year	2020
	<p>The Commission for the Las Vegas Centennial awarded funds in the amount of \$50,000 to the UNLV Oral History Research Center to support the costs associated with staffing and materials related to the Las Vegas Asian American & Pacific Islander (AAPI) Oral History Project.</p> <p>The AAPI community represents more than 10% of the total population of Clark County but is underrepresented in the region's historical record. The project collected oral histories from the AAPI communities in Las Vegas and Southern Nevada in order to fill this gap of knowledge. The oral histories were transcribed for inclusion in the UNLV Oral History Research Center, a repository accessible to researchers and the general public.</p> <p>https://special.library.unlv.edu/taxonomy/term/24099</p>
