

## Discovery Children's Museum Documentary

<b>Grant</b>	\$88,500
<b>Organization</b>	Discovery Children's Museum
<b>Year</b>	2021
<p>The Centennial Commission awarded a grant of \$88,500 to the Discovery Children's Museum for the production and distribution of the documentary film, <i>30 Years of Discovery</i>, to commemorate the museum's 30<sup>th</sup> Anniversary.</p> <p>The film highlights the museum's history, including the community leaders and collaborations who brought the museum into being; the significance of the first location and architecture; community-focused programs; growth of the community and museum audience and its current location in Symphony Park.</p>	
<p>Quiet Film Production created the documentary, which was released in 2022. <a href="#">Discovery Children's Museum Doc (Youtube)</a></p>
