

Historic Neon Signs

Grant	\$1,576,850
Organization	City of Las Vegas
Year	2009-2022
	<p>The Centennial Commission granted a series of funding for the restoration and maintenance of several vintage neon signs, and their relocation to public places in downtown Las Vegas.</p> <p>The effort was nicknamed “Neon Signs on Sticks,” and utilized decommissioned neon signs from Las Vegas hotels, casinos, and local business of the 1950s and the 1960s. By 2022, after the last round of funding from the Centennial Commission, there were fifteen of these restored signs placed on the median of the Las Vegas Boulevard Scenic Byway.</p> <p><u>City of Las Vegas Blog: Newly Refurbished Neon Signs Along Las Vegas Boulevard.</u></p>
