

## Las Vegas Natural History Museum

---

<b>Grants</b>	\$122,000
<b>Organization</b>	Las Vegas Natural History Museum
<b>Years</b>	2009, 2015
	<p>A Centennial grant of \$22,000 was awarded to the Las Vegas Natural History Museum, 900 Las Vegas Boulevard North, for costs associated with creating an exhibit titled, "Tusks! Ice Age Mammoths and Mastodons." The exhibit featured 80 fossil specimens, replicas, and artifacts, allowing visitors to learn about proboscideans, their extinction, and how scientists study fossils, The exhibition was open from May through August 2009.</p> <p>In 2015 a grant of \$100,000 was used for the costs associated with renovations to a newly acquired building for use as a research and collections department to house state and federal paleontological and archaeological materials for scholars.</p> <p><a href="https://www.lvnhm.org/">https://www.lvnhm.org/</a></p>
