The Road to Helldorado Days Documentary

Grant	\$259,005
Organization	Heather Caputo Productions
Year	2023

The Centennial Commission awarded funding in the amount of \$259,005 to Heather Caputo Productions to produce the 60-minute documentary titled, *The Road to Helldorado Days*.

The film takes an in-depth look at Las Vegas Days'/Helldorado Days' past, present and future. The production included archival research and the collection of oral histories and interviews with historians and local residents. The documentary explores how the western-themed event serves as the city's efforts to maintain an identity and a sense of community. The documentary was released March 25, 2024.

The completed 60-minute film is available to local museums, libraries, and educational institutions, such as Clark County School District and the University of Nevada, Las Vegas.
