

DO YOU HAVE SQUATTERS IN YOUR NEIGHBORHOOD?

Can you tell which house has squatters? They both might. It can be hard to tell.

HERE ARE SOME SIGNS TO LOOK FOR:

- DO THE OCCUPANTS VARY?
- DO THEY HAVE POWER / WATER / HEAT?
- DO THEY ONLY ENTER THE PROPERTY THROUGH A REAR OR SIDE DOOR?
- ARE THERE BROKEN WINDOWS, DOORS OR MISSING AIR CONDITIONING UNITS?
- DOES THE FRONT OF THE PROPERTY HAVE HIGH VEGETATION, TRASH, DEBRIS, SHOPPING CARTS, OR BOARDED WINDOWS?

IF YOU ARE NOT SURE WHO MAYBE LIVING NEXT DOOR, YOU CAN REQUEST CODE ENFORCEMENT CHECK THE PROPERTY. CODE ENFORCEMENT WORKS WITH METRO TO INVESTIGATE THESE TYPE OF ISSUES THAT MAY BE AFFECTING YOUR NEIGHBORHOOD.

If you would like to submit a complaint or you have questions you may go to:
