OFFICIAL USE ONLY

TEMPORARY CONSTRUCTION DISCHARGE APPLICATION FOR
CLASS II WASTEWATER CONTRIBUTION PERMIT

Date: _____ PNR
Permit # _____ PI

Note: Applications for a Class II permit to discharge groundwater to the sanitary sewer system will only be considered in cases where it is impractical to discharge to the storm drain under an NPDES permit.

1. Company responsible for the proposed discharge: _____
Billing Address: _____
City: _____ State: _____ Zip Code: _____
Telephone number: (____) _____
City of Las Vegas business license number (required for all businesses): _____

2. Person & alternate person authorized to represent the company:
Name: Mr. / Ms. _____ Title: _____ Phone: (____) _____
Name: Mr. / Ms. _____ Title: _____ Phone: (____) _____

3. Proposed discharge location/address: _____
_____ Zip Code: _____

4. Maps/Plans: Please attach a map (3 copies) showing the location of the proposed discharge, the location of the proposed sanitary sewer connection and the location of the nearest storm drain connection. Please also attach a detailed piping diagram (3 copies) showing how the groundwater will be conveyed from the discharge pump to the sanitary sewer (above ground and below ground), including any proposed pretreatment systems and the method of connecting to the sanitary sewer.

5. Proposed discharge duration (2 years maximum): Start Date: _____ End Date: _____

6. Proposed flow rate (gallons per minute): Average Daily: _____ 3-Minute Peak: _____

7. Describe the nature of the proposed discharge:

8. Describe the activity that will be producing the proposed discharge:

9. Attach plans or describe any pretreatment systems or Best Management Practices (BMP) that will be used to meet local discharge limitations. If none is being proposed, please explain why none is required.

10. Does the discharger or discharge location have any existing Wastewater Contribution Permits?
YES NO If yes, permit number(s): _____

11. Enter the pollutant concentrations of the proposed discharge in mg/L (milligrams per liter). Please attach copies of all lab analysis reports, supporting documentation (analysis dates, analysis methods, sample preservatives chain-of-custody forms, etc.) and verification that the laboratory that analyzed the samples is certified by the State of Nevada to perform the required analyses.

_____mg/L TDS (Total Dissolved Solids) (1,200 mg/L maximum concentration limitation)
_____mg/L TSS (Total Suspended Solids) (750 mg/L maximum concentration limitation)
_____mg/L TPH (Total Petroleum Hydrocarbons) (100 mg/L maximum concentration limitation)

12. Are any additional pollutants suspected to be present in the proposed discharge that have the potential to violate any discharge limitations or prohibitions specified in Las Vegas Municipal Code 14.17?

YES NO

If yes, please describe (additional analyses may be requested).

13. If you have determined that the proposed discharge does not require analyses for some or all of the pollutants specified in questions 11 or 12, please provide a written justification why you believe that the pollutants will not be present in concentrations that would violate Las Vegas Municipal Code 14.17.

PLEASE ATTACH THE REQUESTED INFORMATION TO THIS FORM. IF MORE SPACE IS REQUIRED FOR ANY OF THE QUESTIONS, PLEASE ATTACH ADDITIONAL SHEETS

This application is to be signed by a responsible corporate officer of your firm after adequate completion of this form and review of the information by the signing official. Should a Class II Wastewater Contribution Permit be approved, the applicant will be responsible to pay all permit fees, sewer-use fees and, if applicable, surcharge fees that become due during the term of the permit.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
