---	--

City of Las Vegas Mayor's Faith Initiative Healing, Addiction, Recovery and Prevention (CLV MFI HARP) Workgroup

- Connect this group through monthly meetings, special topic workshops and conferences.
- Connect nonprofit organizations with resources, programs, and services to volunteers from houses of worship and the community to better serve vulnerable populations.
- Connect faith leaders, nonprofit organizations, volunteers, and representatives of local, state, and federal government agencies to a regional effort, where everyone speaks the same language, planning is achieved through collaboration, and more effective distribution of services and resources is accomplished.

Mission High School: A comprehensive secondary school designed for students in recovery from substance abuse, use, and/or dependency. We have created a challenging and supportive learning environment that offers healthy opportunities and positive expectations while encouraging students as they redefine their lives. We provide a high-quality education coupled with life skills and multi-faceted counseling services to empower students to achieve their goals.

Our road map to success:

- To educate students who are in recovery from substance use of co-occurring disorders.
- To support students in breaking the chains of addiction and hopelessness.
- To provide a continuum of care through wrap-around services.
- To support students in a strong program of recovery.
- To meet State requirements to earn a secondary school diploma

Youth Specific Resources

<p>Specialized Alternatives for Families and Youth (SAFY): Services allow children at risk of abuse and neglect to reside safely with their families as an alternative to foster care. Short-term services, parental development and counseling are provided to ensure safety and stability within the home. When children must be removed from the family, our Reunification services address the issues that brought the child and family into care. Our goal is to return the child to a stable family setting as soon as possible.</p>	<p>4285 N Rancho Dr #130 Las Vegas, NV 89130 (702) 385-5331 (800) 532-7239 Toll Free www.safy.org</p>
