### Distance Learning

- The City will provide multiple rotations and a work area for children to conduct their schoolwork.
- The City/Library will provide access to public Wi-Fi.
- The City will provide a staff member to supervise the log-in process and assist with children's needs, however, the City is not responsible for participant's schoolwork productivity. Parents will be notified if there are issues that prevent their children from logging in.
- Parents must provide all log-in information, virtual class schedule, participant's school I.D. number and all applicable information needed for participants to participate in distance learning classes.
- All participants must bring their own school supplies necessary to complete their assignments and crafts. Items should be labeled with the child's name and in a backpack. Backpacks will be kept in the room designated for distance learning. Items should include:
  - Fully charged laptop, headphones (with microphone if needed), or electronic device(s) with charging cords to complete virtual classes.
  - Pencils, pens, crayons/color pencils, glue sticks, notebooks, notebook paper, worksheets, copy paper to make any necessary copies, scissors, a pencil box, personal hand sanitizer and tissues.
  - All personal supplies must be brought with the participant each day and taken home at the end of each day.
  - Disinfecting equipment will be the parent's responsibility.
- All Electronic devices will only be available to children during their group's designated Virtual Learning Opportunity times. Staff will provide supervision of students during Virtual Learning Opportunity times, however students should only access web content relating to their virtual learning.
- Please be advised that web content may not be filtered by the site's internet service system.
- As stated in the parent handbook, the city of Las Vegas and the Las Vegas-Clark County Library District are not responsible for lost, damaged or stolen equipment.
